#### DESCRIPTION:

The Prague Centre for Primary prevention Is a professional methodological workplace focused on the primary prevention of risk behaviour in the city of Prague. They provide methodological support, consultations, supervision, and training in various areas of risk behaviour at schools.

The centre provides an overview of methodologies regarding racism and xenophobia. These include

- **Political Radicalism and Youth** - a publication that was created as a result of the project "The Current Situation in the Area of the Extremist Movements in the Czech Republic" with an Emphasis on Their Potential Advocacy for Juveniles and on the Propagation of Extremist Ideological Content on the Internet", which was given targeted support under the Security Research Program of the Czech Republic in 2010-2015.
- **Multipolis** - a methodical guide for educators on multicultural education developed by SCIO as part of the MULTIPOLIS project. Complete Download of the guide is available here:
